

AUTO-PAY

AUTOMATIC WATER BILL PAYMENT

What is Auto-Pay?

Auto-Pay is the newest bill payment option from the Village of Volo that makes it more convenient to pay your monthly water bill. Each month, the Total Amount Due is automatically transferred from your bank account.

No more checks, stamps, or late payments to worry about!

How is Auto-Pay different from the online bill payment service provided by my bank?

When you pay your water bill using the online bill payment service provided by your bank, your bank mails a check on your behalf. The check may arrive after the due date, resulting in a late payment.

Auto-Pay automatically transfers the Total Amount Due from your bank account each month before the due date, eliminating late payments.

Enrollment is Easy:

- 1 Complete the Auto-Pay Enrollment Form (below) and return with a voided check. Continue to pay your monthly water bill as normal.
- 2 You will receive an email confirming your enrollment in E-Bill and Auto-Pay. The email will indicate your first automatic payment date.
- 3 The Total Amount Due on your water bill will be automatically transferred from your bank account on the 25th of each month.

TERMS AND CONDITIONS

1. **E-Bill** - Auto-Pay requires enrollment in E-Bill. Your monthly water bill will be sent by e-mail the 1st week of each month. The bill will indicate the amount to be transferred (Total Amount Due) from your bank account and show "Auto-Pay" as the payment (Payment Amount).

ACCOUNT HISTORY IS AVAILABLE ONLINE AT WWW.VILLAGEOFVOLO.COM/EPAY

2. **Record of Payment** - Your monthly bank statement will indicate the Auto-Pay transfer amount and date; please retain as proof of payment. If the Auto-Pay transfer amount is different from the Total Amount Due on your monthly water bill, you must notify the Village of Volo and your financial institution within sixty (60) days.
